

PARENTING CHILDREN IN THE I-GENERATION

This is a 45-min talk, followed by 15 mins for Q&A and discussion.

ABOUT THIS TALK:

Our children live in a vastly different world from the world we grew up in.

Learn how you can raise values-driven, happy, successful, and connected children in today's world.

ATTENDEES WILL LEARN:

- Learn about the popular cultural views that are being communicated to our families through technology.
- Gain insight into the effects of technology on the self-identity, cognitive abilities, relationships and physical wellbeing of children.
- Learn practical tips on how to have a healthy relationship with technology.
